ABOUT US

Absolute Solutions don't come out of a box ready to plug and play. We pride ourselves on identifying your challenges quickly and designing strategies to address them, always keeping top of mind your business's need for minimal disruption.

We've been helping businesses for over 17 years, both here in this community and internationally. We know the landscape, we know the market, and we understand your industry.

Each of our consultants has an advanced degree in their field, and at least ten years of experience actually working in that field. This marriage of theory and practice is critical to our strategic approach. Combined, our consultants have over 50 years of hands-on problem-solving expertise behind them. That's a lot of problems, and even more solutions.

In the last few years, we've completed major projects for:

- Riyadh Bank
- Arab National Bank
- JP Morgan Chase
- NGHA
- Mena FATF
- Ziraat Bank
- Al Awwal Bank
- Najm Insurance service
- AND MANY MANY MORE.....

Staffing Model

Support Activities

Absolute Solutions will take care of the legal compliance, HR planning, job analysis and rewards and succession planning of the outsourced staff.

Core Staffing Activities

Core activities would include

- maintaining a resource pipeline with the required skills of CLIENT
- carry out all the recruitment activities (advertising, screening, interviews, primary evaluation) required to ensure the supply of resources in demand
- execute all the steps involved in onboarding of selected employees from mobilization to deputation.

Projection and Planning

Absolute Solutions would conduct frequent sessions with CLIENT to timely assess future needs of staffing so that an uninterrupted stream of quality resources can be assured.

Available Skills

Our Consultants

Absolute solutions consultants work on projects across a range of business processes, business applications and information technology. They may provide technology services, such as application management, infrastructure management and systems integration. Depending on the role, Outsourcing professionals may be based at a client's office or remotely from our offshore development centers.
